Sir,

Sub: Regarding issue of Essentiality and Feasibility Certificate for MBBS course afresh at G.R. Medical College, Hospital & Research Centre, Mangalore from the academic year 2021-22.

Ref: Letter No.RGU/AC2/AFF/2020-21/MO91 dated:25/11/2020 from the Registrar, Rajiv Gandhi University of Health Sciences, Bengaluru.

*****

The Principal, G.R. Medical College, Hospital & Research Centre, Mangalore has applied for consent of affiliation for MBBS course with an intake of 150 seats from the academic year 2021-22 at G.R. Medical College, Hospital & Research Centre, Mangalore

The Syndicate of the Rajiv Gandhi University of Health Sciences has recommended to grant affiliation for MBBS course with an intake of 150 seats from the academic year 2021-22 in this institution vide reference above.

Government of Karnataka has considered the recommendation of the Syndicate of the Rajiv Gandhi University of Health Sciences and decided to issue the Essentiality Certificate and Feasibility Certificate for MBBS course with an intake of 150 seats from the academic year 2021-22 subject to the condition that the institution shall give an undertaking in the form of a MoU to the effect that the percentage of seats that will be determined from time to time shall be surrendered to Government of Karnataka quota as per consensual agreement that will be entered into from time to time or as fixed in the Karnataka Professional

Educational Institution (Regulation of Admission and Determination of Fee) Act, 2006.

Therefore, as per Section 10A of the NMC Act, 1956 read with Regulation 3(2) the Medical Council of India (opening of New or Higher Course of Study or Training (including the PG Degree Diploma course of Study or Training) and increase of admission capacity in any course of study or training (including the post graduate course of study or training) Regulation 2000, the Government of Karnataka hereby grant Certificate of Essentiality and Feasibility for MBBS course with an intake of 150 seats from the academic year 2021-22 to G.R. Medical College, Hospital & Research Centre, Mangalore in the prescribed format as below:

<table>
<tr><td colspan="3">(1) It is certified that the G.R. Medical College, Hospital & Research Centre, Mangalore is recognised u/s 11(2) of the NMC Act, 1956.</td></tr>
<tr><td colspan="3">(2) It is certified that the G.R. Medical College, Hospital & Research Centre, Mangalore is permitted u/s 10 A of NMC Act, 1956.</td></tr>
<tr><td>(2)</td><td>No. of institutions already existing in the state</td><td>56</td></tr>
<tr><td>(3)</td><td>No. of institutions offering MBBS course</td><td>56</td></tr>
<tr><td>(4)</td><td>No. of seats available in the MBBS course in the State</td><td>8325</td></tr>
<tr><td>(5)</td><td>Full justification for increasing the intake of MBBS Course :</td><td>The college is located in Mangalore City Corporation with a population of more than 4.85 lakhs and adequate clinical material for medical teaching and clinical facilities. It would cater the medical and health needs of the locals. It possesses the basic infrastructural facilities including a functional hospital to effectively manage and administer the college as well as the teaching hospital.</td></tr>
</table>

On careful consideration of the proposal, the Government of Karnataka has decided to issue an essentiality certificate to the G.R. Medical College, Hospital & Research Centre, Mangalore for MBBS course with an intake of 150 seats from the academic year 2021-22.

It is certified that: -

a. It is desirable to start MBBS course afresh in the public interest.
b. Annual intake of 150 seats in MBBS course by G.R. Medical College, Hospital & Research Centre, Mangalore is feasible.
c. The Institute is having total 330 Teaching Beds.
d. The average OPD strength per day is 682.
e. The average bed occupancy is 63%
f. The number of teaching beds, average OPD strength and average bed occupancy available at G.R. Medical College, Hospital & Research Centre, Mangalore is not less than the criteria prescribed under the "Opening of a New Higher Courses of Study Training (including Postgraduate course of study or Training) and increase of admission capacity in any course of study or training (including a postgraduate course of study or training) Regulation, 2000" as notified in the Gazette of India.

It is further certified that in case G.R. Medical College, Hospital & Research Centre, Mangalore fails to create infrastructure for the course as per NMC norms and fresh admissions are stopped by the Central Government, the State Government shall take the responsibility of the students already admitted in the above said course at this college with the permission of the Central Government.

Yours faithfully,

B.S. Prashant Kumar 4/12/2020

(B.S. Prashant Kumar)

ESSENTIALITY CERTIFICATE

GOVERNMENT OF KARNATAKA

No: MED 442 MSF 2020

Karnataka Government Secretariat,
M.S.Building,
Bengaluru, dated : 31-05-2021

To:
The Secretary to Government of India,
Ministry of Health and Family Welfare,
Department of Health,
Nirman Bhavan,
New Delhi-110001.

Sir,

The Principal, G.R. Medical College, Hospital & Research Centre, Mangalore has applied for consent of affiliation for MBBS course with an intake of 150 seats from the academic year 2021-22 at G.R. Medical College, Hospital & Research Centre, Mangalore

The Syndicate of Rajiv Gandhi University of Health Sciences has recommended to grant affiliation for MBBS course with an intake of 150 seats from the academic year 2021-22 in this institution.

Government of Karnataka has considered the recommendation of the Syndicate of Rajiv Gandhi University of Health Sciences and decided to issue the Essentiality Certificate and Feasibility Certificate for MBBS course with an intake of 150 seats from the academic year 2021-22 subject to the condition that the institution shall give an undertaking in the form of a MoU to the effect that the percentage of seats that will be determined from time to time shall be surrendered to Government of Karnataka quota as per consensual agreement that will be entered into from time to time or as fixed in the Karnataka Professional Educational Institution (Regulation of Admission and Determination of Fee) Act, 2006.

Therefore, as per Section 10A of the NMC Act, 1956 read with Regulation 3(2) the Medical Council of India (opening of New or Higher Course of Study or Training (including the PG Degree Diploma course of Study or Training) and increase of admission capacity in any course of study or training (including the post graduate course of study or training) Regulation 2000, the Government of Karnataka hereby grant Certificate of Essentiality and Feasibility for MBBS

course with an intake of 150 seats from the academic year 2021-22 onwards to G.R. Medical College, Hospital & Research Centre, Mangalore in the prescribed format as below:

It is Certified that:-

1)	No. of institutions already existing in the state	56
2)	No. of seats available or No. of doctors being produced annually.	8325
3)	No. of doctors registered with the State Medical Council	133254
4)	No. of doctors in Government Service	5079
5)	No. of Government posts vacant and those in rural/difficult areas.	187
6)	No. of doctors registered with Employment Exchange.	13
7)	Doctor population ratio in the State	1116.3 (State population 6.84 crores as per the unique ID estimate 2020 i.e. 1:1116.3)
8)	How the establishment of the college would resolve the problem of deficiencies of qualified medical personnel in the State and improve the availability of such medical manpower in the State.	Establishment of New Medical College will increase the trained medical manpower which in turn improves the doctors/patient ratio from existing 1:1600 to 1:500 and enable more-turnout of doctors to meet the present health care challenges.
9)	The restrictions imposed by the State Government, if any on students who are not domiciled in the State from obtaining admissions in the State from obtaining admissions in the State, be specified.	The admission policy will be on par with directions of apex bodies from time to time.
10)	Full justification for opening of the proposed college.	The college is located in Mangalore Taluk, Neermarga Panchayath Limit with a population of more than 4.85 lakhs and adequate clinical material for medical teaching and clinical facilities.

		It would cater the medical and health needs of the locals. It possesses the basic infrastructural facilities including a functional hospital to effectively manage and administer the college as well as the teaching hospital
11)	Doctor-patient ratio proposed to be achieved.	One doctor per thousand and population as per the economic survey 2019-20

The Principal, G.R. Medical College, Hospital & Research Centre, Mangalore has applied for establishment of a medical college for MBBS course with an intake of 150 seats from the academic year 2021-22 onwards at G.R. Medical College, Hospital & Research Centre, Mangalore. On careful consideration of the proposal, the Government of Karnataka has decided to issue an essentiality certificate to the applicant for the establishment of Medical College with 150 seats from the academic year 2021-22.

It is certified that:-

a) The applicant owns and manages a 330 bedded hospital which was established in the year 2018.
b) It is desirable to establish a Medical college in the public interest;
c) Establishment of a medical college at Mangalore by G.R. Education Trust ® is feasible
d) Adequate clinical materials as per the National Medical Commission norms is available.

It is further certified that in case the applicant fails to create infrastructure for the medical college as per MCI/NMC Norms and fresh admissions are stopped by the National Medical Commission, the State Government shall take over the responsibility of the students already admitted in the College with the permission of the National Medical Commission.
